A Sad Affair in Guilford—Well Known Man Commits Suicide—Wholesale Retailer by Bridgeport Police Yesterday—Missing Danbury Man—Hartford High School Men Indignant—Other Notes.

Guilford, Oct. 27.—Charles Parker, one of the oldest and best known residents of Guilford, died at 5 o'clock to-night as the result of two attempts at suicide. Parker took a small dose of Paris green yesterday forenoon. Yesterday afternoon he took another large dose. The deed was discovered and every attempt was made to save his life, but death resulted, as stated above. He had been in poor health for two years and his act is due to that fact. Parker was born and brought up in Guilford. He leaves a wife.

Parker was fifty-eight years of age. A peculiar fact in connection with Parker's death is that Parker's father never in twenty-five years ago committed suicide in Guilford by cutting his throat with a razor. He died on Sunday and at almost precisely the same hour that his son died to-day.

HARTFORD HIGH SCHOOL INDIGNANT.

Hartford, Oct. 27.—Among the Hartford high school students, and especially those who are players and substitutes on the football eleven, there is the greatest indignation at the treatment received by the Hartford boys in and after the game with the New Britain high school at the latter city. During the game, according to the Hartford boys, the Capital City boys were treated very ungenerously and there was much slugging. After Hartford had won by a score of 22 to 12 there was a first-class row. Captain Bryant of the visiting team undertook to carry away the ball as a trophy. He was set upon by the New Britain youngsters and handled roughly. The solitary policeman, who happened to be in the vicinity, became imbued with the idea that Bryant was trying to steal the ball and jumped into the fracas and gave Bryant a shaking up. The New Britain boys, emboldened by the presence of brass buttons, went at the Hartford team and one New Britain driver drove a knife into the back of the Hartford boys' coat. The feeling is very high at Hartford and it is doubtful if Hartford consents to the arrangement of another game with New Britain.

NOT MOBBED.

New Britain, Oct. 27.—The story to the effect that the members of the Hartford high school football eleven were mobbed after Saturday's game is vigorously denied in this city. It is stated by those who were present at the game that there is not the semblance of truth in the story, and that any reports of rough treatment received by the Hartford boys by the New Britain boys is made out of whole cloth.

SUNDAY LAW IN MERIDEN.

Meriden, Oct. 27.—For months the police have been trying on successive Sundays to detect violators of the Sunday liquor laws and the city ordinances. To-day their efforts were much more energetic, but the only victim was in the person of Joseph Sattler, a barber, who was arrested for shaving a customer. The cigar stores and drug stores are open every Sunday, but a city ordinance provides for the closing of all barber shops. To-day the police caught Sattler and he was arrested. His friends became surety.

NO TRACE OF HIM.

Danbury, Oct. 27.—There is no trace of the missing John Balzely, the book-keeper who, it is thought, robbed his employer's safe last week. The Danbury police are at work on the case and in the opinion of the officers Balzely is in New York. The amount of money taken from Smith & Benedict is only \$100. The fact that the missing man is heartbroken over his disappearance and they, together with Danbury people in general, are unable to account for his act. It is believed by Balzely's employers that the man was insane or at best temporarily deranged. The amount of money taken by him was too small for the seriousness of the crime. His books are in first-class shape, and no reason can be assigned for the strange act.

FORTY ARRESTS IN BRIDGEPORT YESTERDAY.

Bridgeport, Oct. 27.—To-day witnessed an almost unparalleled activity in police circles. Up to 3 o'clock this afternoon forty arrests had been made, which is a larger number than made any one day for years. All sorts of offenses were the cause of the arrests. Among those arrested were three poachers who were caught on the reserves of the Nassau Game and Fish club at North Bridgeport. Two raids were made, and as a result one of the worst dens in the city, that of Frank Nelson in Sullivan lane, is closed. A man named Hayden was fearfully beaten there this afternoon and the raid resulted.

THE SHAKERS DO THEIR DUTY.

"If a man discovers a valuable medicine," said Horace Greeley, "it is his duty to advertise it." Yes, and at once; for suffering demands the speediest relief possible. But let the man first be sure. Suffering had better wait than be deluded by false hopes. Medicine, like surgery, must often seem cruel in order to be really kind. On this principle the Shakers of Mt. Lebanon, N.Y., withheld their great digestive and dyspepsia remedy from the public for several years. With them right-doing is everything—money, comparatively nothing. Hence the popularity and success of whatever they offer for sale. Having satisfied themselves of the merit of their medicine by employing it in the worst cases of digestive disorders in their own vicinity for years, they did their duty—they advertised it under the name of the Shaker Digestive Cordial. In all cases where there is distress after eating, pain in the stomach, chest and back, aversion to food, with the resulting symptoms, such as headache, furred tongue, eructation of gas, with weakness and loss of flesh, etc., the Cordial has a most happy effect. Being itself a digested food with power to digest other foods, it relieves the weak and possibly inflamed stomach of the labor it is in no condition to perform, gives new strength to the body and gradually restores to the digestive organs their normal vigor. Taken immediately after eating, this remedy insures the digestion of the food, which is the source of most of the afflictive symptoms which accompany dyspepsia. It is also agreeable to the taste as it is potent as a medicine. To show their own confidence in it and to hasten its universal adoption, the Shaker authorities distributed to sell trial bottles at the nominal price of ten cents.

POTATO MARKET GLUTTED.

Winsted, Oct. 27.—The farmers hereabouts find the potato market glutted on account of the overwhelming crop of potatoes raised in this section. Nearly every farmer has raised three hundred or more bushels, and this will more than twice supply the market. In former years the potato farmers in New York state near the line have shipped hundreds of bushels to Connecticut, but at this time they cannot dispose of their own crops. The price of potatoes at Winsted is forty cents, with an occasional drop to thirty-five cents. It is the biggest crop raised for years.

ARRESTED AT HEADQUARTERS.

Wanted for a Theft. Committed in Bridgeport Recently.

Fannie McAvoy, who is well known to the local police, was arrested yesterday at police headquarters in this city and looked up at the request of the Bridgeport authorities, where she is wanted for theft. Early last evening she was taken to Bridgeport by Detective Arnold of that city. The local police have been looking for her for some time, but have been unable to locate her. Saturday afternoon she was arrested by Detective Reilly and looked up, charged with the theft of a pawn ticket for a lady's gold watch and chain. He was locked up and yesterday afternoon when she came to the lockup with something to eat for her husband she was placed under arrest. She is wanted in Bridgeport for robbing a house where she had a room.

FOOTBALL.

New Haven Thistles vs. Ansonia—Score 4 Goals to 1 in Favor of Ansonia.

The New Haven association football team journeyed to the Brass City on Saturday and played a game with the famous Ansonias. The score was 4 to 1 in favor of the home team, but the score in no way indicates the play. The New Haven boys, although not fortunate enough to win the day, played by far the best of the two teams and lost the game by being very unfortunate in front of the goal. In the second half the play was of a very exciting nature, the Thistles having by far the best of it.

The teams played in the following positions:

New Haven.	Ansonia.
J. McKay.....	W. Haines Back.
A. Wilson.....	R. Bell Back.
J. Anderson.....	J. Davis Half-Back.
W. Affleck.....	A. McKenzie Half-Back.
T. Wilson.....	J. Bell Half-Back.
C. Cook.....	R. Brown Forward.
A. Gardner.....	J. Walte Forward.
J. Donald.....	R. Green Forward.
J. C. Morton.....	L. Wyre Forward.
R. Perte.....	H. Hickman Forward.
S. Sydliff.....	A. Proctor Forward.

Injured in Collision.

London, Oct. 27.—The channel steamer Victoria was seriously damaged this morning by being run into by the Norwegian bark Fantassi, from Pensacola for Leith. The Victoria, which was lying at anchor in Dover Roads when the collision occurred, has been docked at Dover for repairs. The Fantassi had her bows and the upper part of her stern damaged. She is anchored in the Downs.

Extending Their Business.

Berlin, Oct. 27.—Following the lead of the Deutsche bank several other banking institutions are branching out into business into the Transvaal. An agent of the Dresdener bank, upon a recent official visit to southern Africa with a view of extending the business of his house, arranged to take over the business of the firm of C. & L. Albu at Johannesburg and form a new company styled the General Mining and Finance Corporation, limited. The capital of the new concern is £1,250,000, all of which has been taken by the Dresdener Disconto Gesellschaft and other members of the syndicate, and branches will be opened in London and Berlin.

NORTH HAVEN.

Oct. 27.—Twenty of the candidates for office at the last town election have filed a sworn statement of their election expenses with the town clerk. The total amount spent by the twenty was \$174. Two candidates spent twenty-five cents each and one spent one cent.

The American board rally in North Haven last Thursday was not all that was anticipated, although, as usual, the ladies did their part well and furnished a delicious supper in great abundance, but the out of town visitors did not put in an appearance to any great extent. A few from Mt. Carmel and the speakers were nearly all the visitors.

Dr. C. C. Creggan, secretary of the American board for the New York district, interested the audience in the afternoon and evening, being assisted in the evening by Rev. Henry C. Hazen of Madura Mission, India, where he has been for seventeen years.

The Bradley library entertainment, gotten up at very short notice by Mrs. H. P. Smith, proved the attractive feature of the season and netted \$48 to the treasury. We should say to Mrs. Smith, try it again—it was worth, but it paid.

Work on the State street road near S. R. Todd's place, work to the bridge, goes steadily on and will be decided improvement when finished. Whether the best or done at the most reasonable price is left out of the question, but it will be better for a time.

Mrs. Eunice Lyon is visiting in town and attended the missionary rally on Thursday.

Mr. C. B. Foote is most interested in the Sunday evening service in Clintonville and spends much time and thought to have the meetings of interest.

E. L. Linsley is sick at home.

Miss Jennie Cooper left for the south on Thursday, where she will spend the winter on account of her health.

R. N. Barnes bought at the auction sale of the late Miss Sophia Malby in Northford three tea pots, one of Britannia, said to be the first tea pot made by the Meriden Britannia company and must be sixty or seventy years old.

TROLLEY RIDE.

Veteran Volunteer Firemen's Association's Trip to Meriden's Point.

An adjourned meeting of the association will be held at the Firemen's hall this (Monday) evening to complete arrangements for the trolley ride and excursion to be held at Merwin's Point October 30. All old firemen are invited to attend. Tickets, 75 cents, to be had at the hall. President G. W. Corbush of the association says everything indicates that the affair will be a fine success.

OUR OWN MAKE
GOOD AS SANFORD'S
STUPID FRAUDS
ON
SANFORD'S GINGER

Beware of cheap, worthless, and often dangerous "gingers," which are persistently urged, even forced, upon would-be purchasers of SANFORD'S as "our own make," or "good as Sanford's," or "cheaper than Sanford's," etc., by mercenary dealers, not in the interest of health, but for a few cents' extra profit.

No respectable druggist or grocer is ever guilty of such practices. Avoid all others.

Containing among its ingredients the purest medicinal French brandy and the best of imported ginger, it is vastly superior to the cheap, worthless, and often dangerous gingers used as substitutes. Ask for SANFORD'S GINGER and look for owl trade mark on the wrapper. Sold everywhere. PORTER DRUG AND CHEM. CORP., Sole Proprietors, Boston.

Not Pinafore.

The report was published in various city papers recently that Miss Justine Ingersoll was about to present Pinafore again. This report is without foundation in fact, although many who witnessed her former production of the beautiful opera would be pleased to see her repeat it. Her ambition runs in another direction this year and if her plans are matured the public will be early and duly informed concerning them.
